

The Honey Badgers

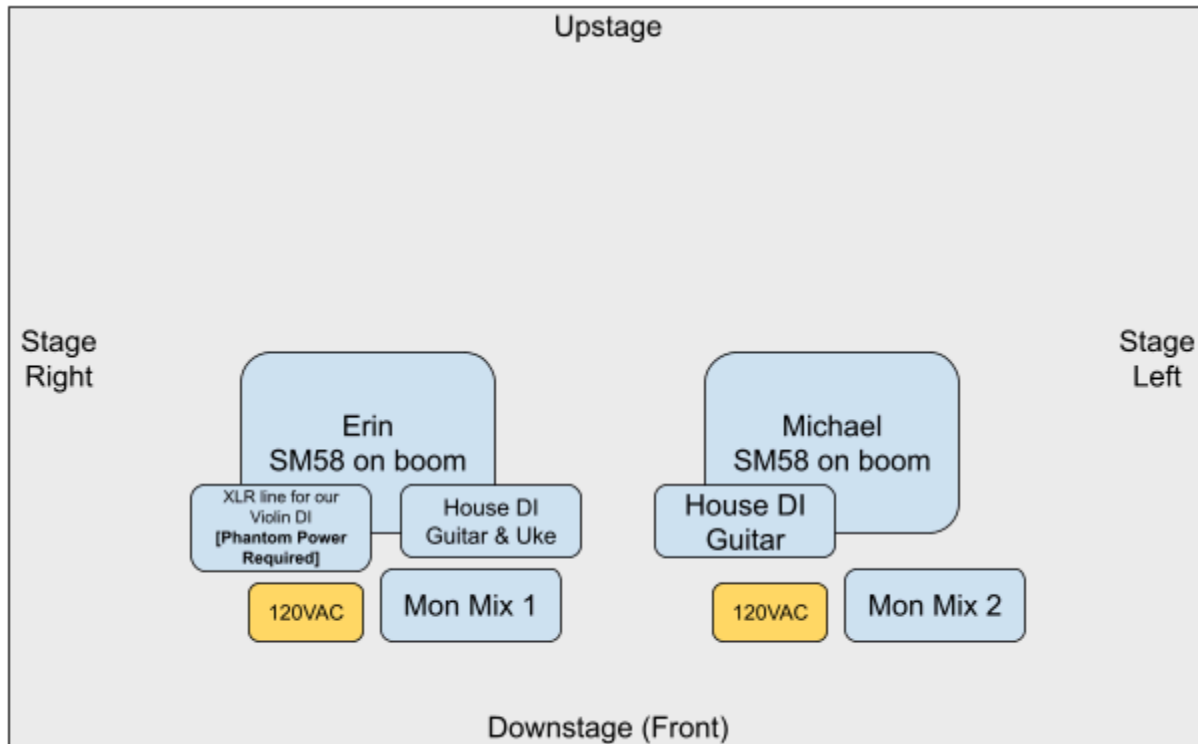

The Honey Badgers - 2024 Stage Plot

A Folk/Americana acoustic duo from Newark, DE

honeybadgerfolk.com @honeybadgerfolk

Please direct all questions to Michael 302-535-1271 honeybadgerfolk@gmail.com

We both sing. We typically perform with a couple of guitars and a violin.

Input List

CH	Source	Detail
1	Vocal Mic (Erin)	SM58 or equivalent on boom stand (venue provides)
2	Vocal Mic (Michael)	SM58 or equivalent on boom stand (venue provides)
3	Violin DI (Erin)	Band provides DI - Phantom power required (Venue just provides XLR line downstage for us to plug into band DI)
3	Guitar & Uke DI (Erin)	House DI for acoustic guitar & ukulele (additional DI is preferred if available) (Venue provides DI for us to plug 1/4" into)
4	Guitar DI (Michael)	House DI for acoustic guitar (Venue provides DI for us to plug 1/4" into)

Note 1: Downstage power is required for pedalboards - a single 20A circuit is preferred.

Note 2: We prefer to use our own DIs to have more control of our sound. If you have nicer ones and prefer us to use those, that is fine – we are flexible. Thanks!
